Dear Ms. Young,

The Public Service Commission of South Carolina is in receipt of your comments, dated February 22, 2018, to the South Carolina Office of Regulatory Staff.

Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2017-292-WS - Application of Carolina Water Service, Incorporated for Approval of an Increase in Its Rates for Water and Sewer Services

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can also follow Docket No. 2017-292-WS at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/116450>.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Deborah Easterling

Hello,  
I live at \_\_\_\_\_, SC and I want to know why I am paying more than some people for their monthly sewer bill. I have 2 people in my home. My bill is \$57.58 per month. There are some people who pay \$40.00 a month. Everyone should have the same rate or there should be a base rate for 2 or 4 or 6 people. This is ridiculous. They can't keep making us pay for something they did. I'm not going to pay for something I didn't do. If I bought something and I have not received it I'm not paying for it until I get it. The Regulator Staff Commission has to start making the utility companies accountable for what they do and not the customers. They can bill me for more and cut me off but I'm not paying any more. It has gone up from \$35.00 in 2007 to almost \$60.00 in 2018.  
The citizens deserve to have rights to.
